The Handmade Table

A very special event...

Following on from the opening of the group exhibition "By Hand and Heart", "The Handmade Table" is a project combining food, pottery, music, film and community.

Local furniture craftsman Rhyce Skodnik has made a beautiful, handcrafted table that will be groaning with homemade food and fresh porcelain. Shannon has designed this range especially for everyday use, the pale pinks, fresh white and handpainted dots bring a connection between handmade art and domestic life. I'll be throwing pottery to the live cello music of international superstar Louise King and Olivia's Mother is making her amazing friends! This will be a magical afternoon full of surprises a way of connecting art, music and community through food and theatre.

Call Olivia to book your spot for \$25 ph: 5456 2445. Numbers are limited so be sure to book. A great gift too for your mum or friends who love pottery and enjoy the finer things about life! SATURDAY 22nd Nov 2.30pm to 4.30pm

.....it all starts with a handmade bowl
