A black and white photograph showcasing a collection of antique glass perfume bottles and stoppers. The items are arranged on a dark, textured surface. In the foreground, there is a large, ornate glass stopper with a wide, flared base and a faceted top. To its right is a smaller, more slender glass stopper with a faceted top. In the background, several glass perfume bottles are visible, some with faceted stoppers. The text is overlaid in the center of the image.

This next collection of pendants are made using the top of Antique Glass Perfume Bottles, the stopper. Set in Sterling Silver. A Statement Piece.
